

## Ice Hockey - Sending a game file (*gameid.HPK*)

To send an ice hockey game file to the conference office or to another team, first use the "Pack game" utility function:

1. Run the UTILITIES program
2. Select File maintenance
3. Select Import/Export | Pack game files
4. Choose a directory (such as **a:**) to save
5. Select the *gameid* from the Games List

Next, start your email software, and include the game file as an attachment:

1. Select the "attach file" function
2. Locate the save directory (from above)
3. Attach the *gameid.HPK* file
4. If needed, set the email attachment options in your email software to send attachments "as is" or "binary" -- consult your email software vendor for questions

To import a "packed" game file that is sent to you, unpack the game file and then import it:

1. Save the *gameid.HPK* attachment to a working directory (such as **a:** or **c:\temp**)
2. Run the UTILITIES program
3. Select File maintenance
4. Select Import/Export | Unpack game files
5. Choose the working directory (above)
6. Select the *gameid.HPK* from the list
7. The game files are "unpacked"
8. Select Import/Export | Import game to import
