Select the current period, last 15 plays, selected period, special situations of goals, penalties, shots, subs to edit, insert, replace or delete plays.
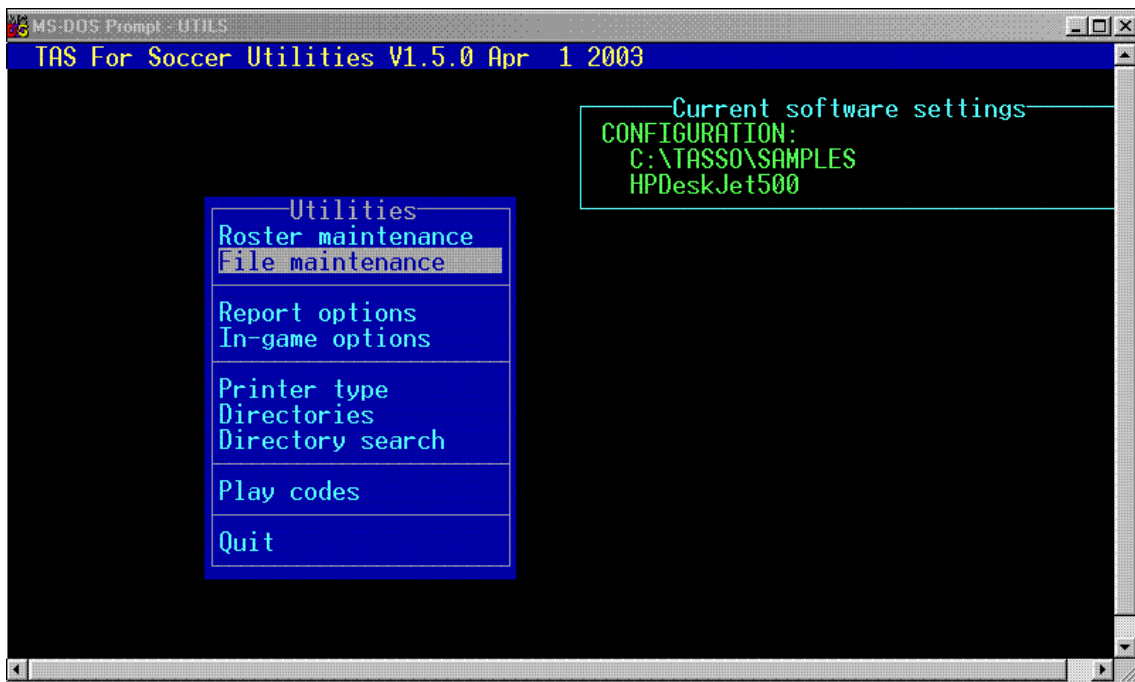

Manual Entry

Enter stats after the game to create boxscore.

Enter team stats, linescore, goal and penalty history.
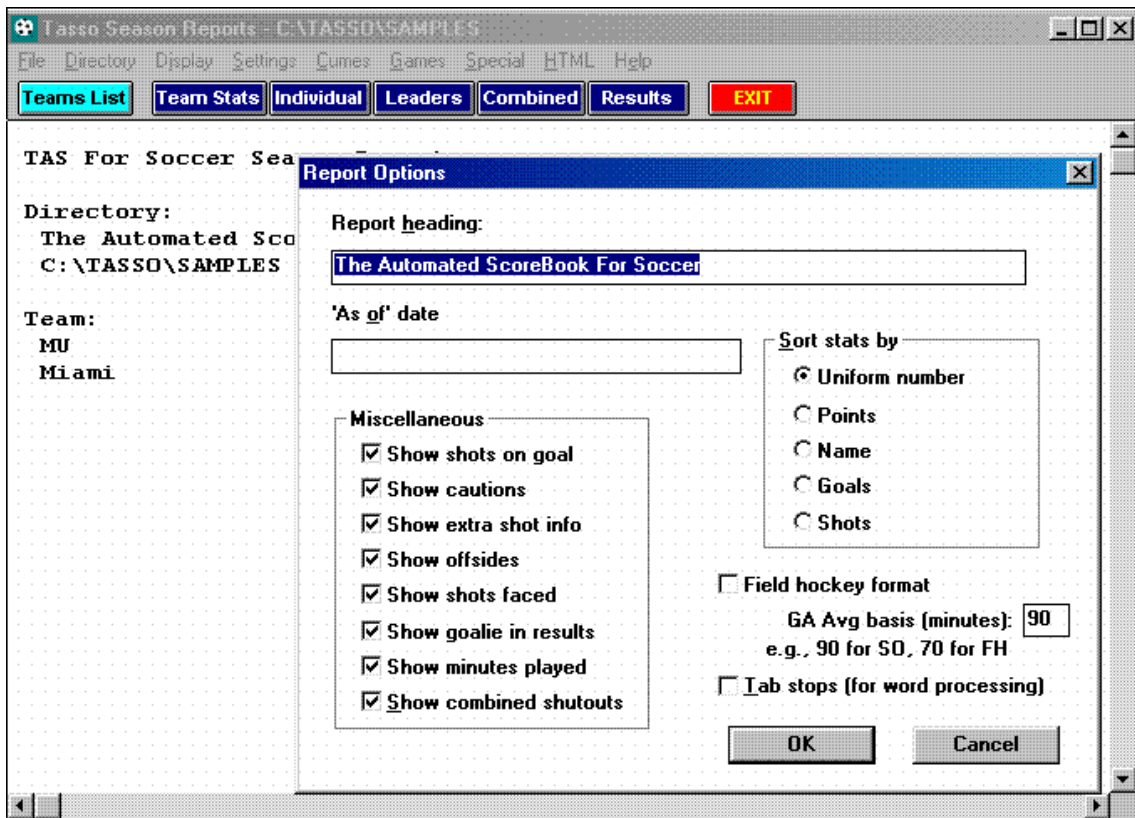

Enter player stats and minutes for both teams.

Utilities

Setup directories for men and women each season.

Import/export games and rosters.

Make changes to rosters.

Report Options

Choose sort criteria, tab stops in reports

Show/hide various stat categories

Adjust goals against basis for soccer or field hockey.

Game Reports

Choose to display clock-time or elapsed time on reports.

Display stats for selected period or entire game.

Print to PDF, fax or to file.
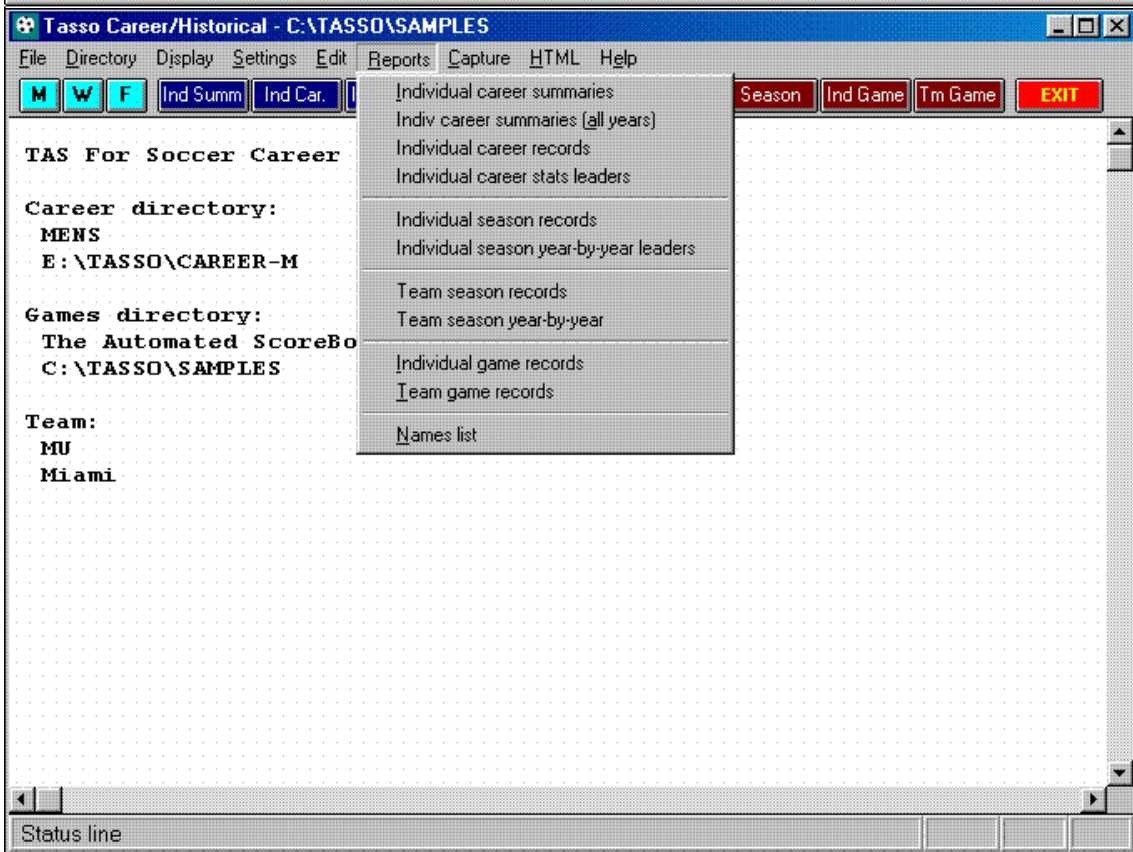

Generate HTML boxscores.
